PUBLIC COMMENT

Mike Fowler, of 108 W. Live Oak Street, expressed his thoughts on the division in the City. He has been a resident for 41 years. The only way Hutto can get better is with growth and doesn't want to see Hutto regress.

Paul Martin is appalled by what he sees on social media. We need to support city government and the city manager. The city manager is a business man that has brought business. He hopes that Council goes to Robert's Rules of Order because that is how you conduct business. Shared that is time to grow together.
