### ITEM SUMMARY:

At the May 7, 2026 City Council meeting, Agenda Item 12.2 regarding the Facility Use Agreement between the City of Hutto and the Hutto Youth Baseball Softball Association (HYBSA), originally executed on October 2, 2025, was briefly discussed and directed to return for further review at the June 4, 2026 Work Session.

Council previously approved Resolution No. R-2025-294 authorizing the City Manager to enter into the 2026 Facility Use Agreement, which runs from January 1 through December 31, 2026, and was recommended for approval by the Parks Board on August 13, 2025. HYBSA reviewed the proposed 2026 agreement and recommended no changes at that time.

HYBSA has expressed concerns regarding the inability to perform basic in-game field touch-ups, the impact of field closures on scheduling and events, and a desire for greater community involvement in facility upkeep. City staff has emphasized the need to maintain safety standards, protect field assets, and ensure compliance with Ordinance Sec. 18.02.004, which governs youth sports association requirements. The Work Session will provide an opportunity for Council to review both perspectives, consider potential adjustments to maintenance responsibilities, communication protocols, and compliance expectations, and provide direction to staff regarding any amendments or policy clarifications needed for the remainder of the 2026 season and future agreements.
